When doing any form of catering, please ensure that no waste bags containing food are left in the club house. Roy recently discovered 2 black bags left by the fire exit surrounded by flies!!

Charity race night 3rd June

This was organised by Harrow & Pinner Lions Club and in particular by Satnam and Kamalpreet Loyal and Nick Woolford and was held at the HBC clubhouse to raise money for “Jack’s Place”, which is the children’s ward in Northwick Park Hospital. The money will be used to buy items for the children (toys/etc), to make them feel more comfortable whilst in hospital. The event was well attended and supported by HBC members

A magnificent £1,210.87 was raised by the event and thanks were extended to the committee for granting the Lions club the use of the clubhouse to host the event.

Grateful thanks were extended to Liz and Peter Mitchell, who performed valiantly behind the bar at the event as can be seen in the picture below.

Barry’s horse winning yet again!

Kamalpreet also gets a rosette.

A queue to place a bet.

Sunday 21st May open day

(Report from coach, Anne Snell)

Our Open Day in May was well attended and resulted in five new members joining the Club:

Dawn Allwood, Audrey and Eamonn Hamilton, Gordon Raiment and Frank Faulkner

Another potential member - Charlie Coyle - is currently attending coaching sessions.

Please continue to support and encourage these new members when they come to roll ups.

The Sharples Celebration 9th June.

To celebrate Peter's 90th birthday and that of his much younger wife, Ann (so Donald and Melania Trump!!), we were invited to a special Friday Club night where the food and drink were provided free by the Sharples. Not only that we were treated to some of Ann's special cakes.

Unsurprisingly there was a particularly good turnout and we were blessed with splendid weather.

Thanks to Wendy and Steve Wyatt who helped with the catering on the night.

Peter addressed the assembled crowd and Ann was presented with a lovely bouquet by our president Roy.

On closer inspection we discovered that Anne Snell and Roy appear to be doing fish impressions. Is this some sort of secret sign?!

Meanwhile at the bar the likely lads dispensed the free drinks.

Following closely on the 90 year old bowlers, on **13th June** we welcomed a **group of cubs** to the club to have a go at bowling!

They were led by cub leader Alison Vallance (the wife of Vivian Vallance) and accompanied by a further 5 adults. A good number of HBC members came along to “show them the ropes” and to encourage them.

The 28 boys and girls found the game quite challenging but very enjoyable and some showed real potential even getting the woods into the ditch. A number of the adults had a go too and were wishing they had time to play as they were very impressed with the game. This was another opportunity to spread the message to the local community.

HBC invitational triples Thursday 6th July.

Perfect weather greeted the teams who had entered the Invitational triples, together with our wonderful green which had been cut and ironed that very morning despite the matches starting at 10am.

Everyone commented on the splendid condition of all the rinks.

Unfortunately 2 teams dropped out at very short notice thereby stressing Mary Warner who had done an incredible amount of preparation for the event. She therefore hastily assembled 2 Harrow teams to make the numbers right. (Sandie Parker, Steve Fox, Shelagh Z and Myriam Tsang, Ollie Mazzitelli, Eric Everatt)

Mary taking a well deserved rest away from the crowd.

A last minute appeal by Mary resulted in a doubling of the wine donations for the raffle.

On catering was Elaine Wake who had spent many hours preparing the quiches and the fruit pies for lunch (and as Roy said “a good deal of his gas!” I presume he means the type supplied by British Gas

or

?

She was assisted on the day by Anne Snell, Doreen Bayley and Barry Rudolph.

I bravely entered the kitchen to take a picture of a rather hot looking chief chef (Elaine) but unfortunately in my haste I did not press the button properly so no photo was taken!

However she looked something like this!

On a very busy bar duty were David Abrey and Geoff Freeman.

Mark Snell was on hand as umpire for the day.

After 3 rounds of games a rest to enjoy the excellent food was much appreciated.

The afternoon resumed with 2 more rounds.
At the end of proceeding we were treated to more of Elaine's
goodies. Some fantastic cakes.

Throughout the day Mary and Jim Hughes were processing the
results.

Roy assisted with a final double check. Important as prize money
was involved.

Well done to all those who worked so hard to make this such an enjoyable event.

A number of HBC members enjoyed a lovely day on **Saturday 8th July** thanks to Prakash who was hosting the President's day. Despite rain

initially, the match went ahead as a 35 over match in good weather.
Prakash supplied drinks and a tasty Indian meal in late afternoon.

In addition to these handsome representatives of HBC, the event was attended by Mark Snell, Barry Rudolph, Isabellita John, Alan Bellamy and Shelagh and Marios and Mort and Alison.

Please make sure the following events are in your diaries:

Finally you may, or indeed may not, have noticed that these newsletters are available on our website which Mary Warner and I try to keep up to date. However the person who set it up and has been inputting the information which we send, is giving up doing it at the end of this season. We are therefore seeking a replacement. So does anyone know someone who could take over or does anyone have the skills to carry on inputting the information. We assume the webmaster John would pass on the necessary materials. If you have any ideas please speak to Mary W or to me (Shelagh Z)
