Beetle Drive

We once went to a Marco Pierre White restaurant and we were served with

mashed swede as a vegetable and rice pudding with a dollop of jam for dessert – reminiscent of school dinners for the group of baby boomers! They clearly thought that delving into such past luxuries would be trendy and exotic!

In a similar way HBC revisited the past, when entertainment was simple, with our own Beetle Drive social. It is so “past” that it has become “post modern”. Anyway chaos reigned when 30 members participated in the activity organised and led by our President, Roy.

It wasn't until the 2nd round that people understood the rules properly. Considerable noise and hilarity ensued. The eventual winner was Mark Snell

with Mary Hughes in 2nd place.

Just because Mark won I don't think he needs a halo...or is it and astronaut's helmet?

Many bowls clubs make a prominent feature of their book sale. We have now joined in, with the book case previously hidden away in the ladies' changing room, now in a prominent place with a suitable notice. So please bring good quality books for others' enjoyment and to raise money for a charity.

The book illustrated above is such a brilliant novel that I cannot part with my copy!! But I have lots of other fantastic books to contribute.

Open Day 19th May

Ideal weather and great support from club members made this day a particular success. About 43 adults attended and really enjoyed their experience of the great sport of bowling. Furthermore about 17 people appeared particularly keen and indicated their wish to participate in further coaching. Anne Snell, Jeff Ham and Tony Paulley were particularly busy but were ably assisted by Liz Mitchell, Jeanette Swaffield, Grant Rickells, Jim Waller, Andrew Georgiou and Peter Lee. However many others were involved with setting up, putting up bunting, clearing away, making cups of tea and generally contributing to a wonderful atmosphere. Many members had also enticed friends and family members to come along and give it a try.

Understandably the nets were still out on open day but luckily the somewhat drier weather meant that they could be dispensed with shortly afterwards, as seen in this picture.

Good to see the familiar Jim Hughes style back on the green. However I am somewhat worried that Prakash is polishing his wood in preparation for a fast overarm delivery!

After the Lasagne, salad and dessert, in fine bowls tradition, we picked numbers from the bag to go into groups. Each group decided on a game and there was much laughter and noise from the group playing Jenga

and serious concentration from others intent on understanding the rules and even completing the gift aid form!

Some ventured out on a lovely evening to play, no, not bowling but darts!

It was interesting to discover new games

I now want to purchase both Triominos and HeckMeck.

Thanks to Liz and Jeanette for purchasing and preparing the food and supplying games (together with Elaine)

As they say in Parliament, "I commend this event to you". It is a fun way of raising money for a charity. Hopefully if we run it again we can persuade more members to attend as it was such an enjoyable evening.

Continuing the Parliamentary theme, let's have a three line whip for

Gala Day on Saturday August 3rd!!

For more information see Liz's email sent on 22nd June or the notices in the clubhouse.
